If you would be interested in being considered for one of these class coordinator positions, please complete this form and submit it along with your other registration materials. You will be contacted to discuss any openings that match your interests.

**Food Allergies**

If your child has any food allergies/sensitivities or has a restricted diet for any other reason, please speak directly with the supervisor in your child's class. Make sure that the foods are listed on the class snack sign-up sheet so that all parents are aware of the foods to be avoided. Finally, double-check with the supervisor in the classroom when you drop off your child. A substitute supervisor may not be aware of your child's needs as related to food and will need to be informed. If your child's reaction is particularly severe, please consider sending a special snack with your child to ensure safety.
